Welcome & Shalom!

Since its inception in 2015, “Gibrael” has been successful in driving business between local and Israeli companies, which have found Gibraltar to be an ideal place to test-trial innovative technologies as well as serve as an attractive gateway into the European markets.

With the endorsement of HM Government of Gibraltar, the Government of Israel and the Israeli Embassy in London, “Gibrael” has already held over 60 business and cultural events and brought 20 business delegations of Israeli companies to do business in Gibraltar. Moreover, Gibrael has also led numerous delegations, from Gibraltar to Israel, including hosting the first, historic Gibraltar Day in Tel Aviv, which showcased what the StartUp Nation is all about.

As part of our continuous mission to showcase and promote Gibraltar’s name in Israel and indeed throughout the Jewish world, we produce an annual publication about Gibraltar, with articles, stories and photos highlighting Gibraltar’s economy, business sectors culture, people and heritage. This unique publication, written in Hebrew and English, has been distributed in thousands of copies to Israeli Chambers of Commerce and Israeli and Jewish Business Clubs in over 42 major financial centres around the world including Toronto, New-York, Los Angeles, Sydney, Singapore, Capetown, Buenos-Aires, London, Berlin and more. It has definitely put Gibraltar on the map!

With the looming consequences of Brexit ahead, Government and other influential voices across Gibraltar have been advising businesses to broaden their marketing horizons beyond Europe as well as advocating diversification of the economy. This is exactly what the Gibraltar-Israel Chamber of Commerce (“Gibrael”) has been established for.
