PRIME MINISTER

June 20, 2019

Dear Friends,

I send warm greetings from Jerusalem to Gibrael, the Gibraltar-Israel Chamber of Commerce.

Since its establishment, Gibrael has helped to strengthen the connection between the people of Gibraltar and the people of Israel. Your ongoing efforts to bring both business leaders and our communities closer together have enhanced the growing ties between us.

I take this opportunity to express my deep appreciation for your friendship and solidarity with the Jewish state.

Sincerely,

Benjamin Netanyahu
